

We commissioned incredible artists from all over the Discord community to build one-of-a-kind video backgrounds - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

We wanted to showcase our featured artist: Namocchi

Namocchi is a latina background painter with great love for color, lighting and mood. They also are a lover of cats and all things magical or fantasy! You can always find them with a cup of tea and some churros.

You can find more about her work and information on <https://twitter.com/namocchiart>
